

# The 7 Laws of the Learner

Whether you're a pastor, Sunday school teacher, Bible study leader, school teacher, here is a course that will show you how to teach with lifechanging impact. Discover The 7 Laws of the Learner and unleash your effectiveness as a communicator of Biblical truth. You see, if your students have not learned, you have not taught. This 7-part series strengthens educational skills by placing teachers inside their students' hearts and minds. Building every lesson from sound Scriptural principles, this module reveals how to uncover your students' real needs, to motivate low achievers, to help students master twice the material in half the time.
