

Walk Thru Old Testament -

Take a walk like none you've ever been on before. Thousands of years of history and scores of famous names and places will be your companions, and a wealth of new insights and understanding your destination. In fact, by the time you finish your Walk Thru the Old Testament, you will be able to recite from memory the 77 most important people, places and events found in the grand scope of Old Testament Scriptures.

In a few action-packed hours, what you once may have thought was the most confusing part of the Bible - the Old Testament - will come to life in one of the world's most memorable learning experiences.
